The
Roots and
Fruits
of the
New Age

- Sr. Seraphim -

A warning for Christians: Explore the origins of new age practises; examine the fruits and their effects; Reiki, yoga, crystals to name but a few.

New Age thought and culture has largely replaced Christian Revelation as the dominant spiritual outlook in the 'West'; many Christians have either willingly acquiesced to the inroad of new age principles, techniques and thinking or retreated into isolationism, 'if it works for them it's OK'. We need to make a clear stand based on sound doctrine.
